Costume Curiosities

Clothes make the man. Naked people have no influence on society. So dress up and get your picture taken by RA Friedman with a vintage Graflex Camera using instant film in his Magical Theatre in AxD gallery. Also discover Philadelphia's Magical Garden.

Sunday, Sep 6, 2008. Meet at the Philadelphia Art Museum Steps. Discover Philadelphia's magic garden and theatre. Dress up in a costume and get captured on old school silver film polaroids.

About the ride: 4.4 miles . About the photog: Indoors, outdoors, costumes.

1. Philadelphia's Magic Garden

is a precious gem found on 10th and South Street and is the legacy of artist Isaiah Zagar. An explosion of colorful bits of glass, mirrors, bicycle wheels and whatever junk he could find turned into an amazing mosaic.

2. Halloween Adventure

Find funny wigs, dress up as a clown or the dark knight and take lots of pictures of course.

3. Philadelphia's Magic Theatre

As AxD Gallery's first artist-in-residence, photographer RA Friedman will transform the gallery into the lair of an itinerant photographer complete with a carnival-style studio and large-format photo gear. Part photography, part time-machine, part

side-show, mixed up with a boat-load of alchemical visual inventiveness, Friedman aims to create a magic theatre where visitors can don costumes and new personas and then be captured on traditional silver instant film.
